

# ECOVADIS SILVER 2023

12/2023

## Press Release

### Prefere Resins Attains Inaugural EcoVadis ESG Rating Across Entire Group

We are very proud to announce that the Prefere Resins Group has received a strong silver rating with 68 out of 100 points. This puts us in the top 10% of companies within EcoVadis.

Prefere Resins, a reliable supplier committed to sustainability, has already undergone individual EcoVadis assessments at various sites since 2014.

An important milestone is the assessment of the entire Prefere Resins Group in 2023, which includes the Phenolics, Melamines and Paraform business units.

Encouraged by this achievement, we are determined to increase our efforts and are striving for a gold rating in 2024

#### About EcoVadis

EcoVadis is a platform that offers companies worldwide reliable sustainability ratings. The ratings are based on various indicators and cover the areas of environmental, social and governance (ESG). The four topics of environment, labor and human rights, ethics and sustainable procurement are weighted according to the company's sector. The EcoVadis methodology is based on international sustainability standards and is carried out by international experts, adapted to the industry, country and company size.
