Prefere Resins reaches an EcoVadis Gold and improves ESG performance

Prefere Resins is proud to announce that it has achieved the prestigious **EcoVadis Gold rating**, placing the company in the top 5% of all companies rated in its sector.

This significant accomplishment underscores Prefere's unwavering commitment to sustainability and responsible business practices.

Prefere's overall 2025 score of 77/100, a 9-point increase from the previous year, lifting the company from the last assessments silver rating into the top 5% of companies worldwide rated by EcoVadis in the past 12 months in its industry. This improvement reflects ongoing enhancements in the four areas of corporate social responsibility (CSR) and sustainability assessed by EcoVadis: Environment, Labor and Human Rights, Ethics, and Sustainable Procurement.

Understanding the EcoVadis Rating

EcoVadis is a globally recognized platform that evaluates the sustainability performance of companies. The rating process assesses companies across four key areas: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. By providing a comprehensive assessment, EcoVadis helps make sustainability performance transparent and comparable across industries.
